Testimonials

“Ken is absolutely the best! In addition to being brilliant, he’s creative and thinks out of the box. He is a treasured asset for our company!”

Debbie Cunningham, President at Archive Reporting & Captioning Service, Inc.

“The ezTechDirect team has done a great job setting up our computer system in our new office and keeping us up and running. Also Ken has set up a great web site for us.”

Paul Peffley, Owner, San-Pef Inc.

“Ken has built a successful IT service firm that excels at keeping clients connected in their businesses. As a business owner himself, Ken understands the value of lost time due to an IT glitch. He always responds promptly to our concerns and provides insight on how to streamline Internet efficiencies for every area of a business.”

Anne Deeter Gallaher, Owner, Deeter Gallaher Group LLC

Website and Software Design & Development

Website Development - Our website design team will work with you and your staff to develop a WEB presence for your business that will allow you to stand out from your competition.

Mobile App Design - All major companies that sell products, information or services are developing mobile applications. ezTechDirect can help your business take advantage of this exciting technology to promote and grow your business.

Custom Software/System Modifications - ezTechDirect offers a full range of software services including design of custom applications, to adding functionality to existing applications.

Reporting Services - It doesn't matter how much data your company collects if you can't view it in a usable format. Our

Custom Designed Business, Multimedia & Gaming Computers

ezTechDirect designs and builds custom computers that far exceed the ones being sold by leading manufacturers. Whether you are looking for a blazing fast gaming system, multimedia center or a computer to help manage your business, we can help. We only use quality name-brand parts from trusted suppliers. Each computer is expertly hand assembled and diligently tested before delivery. Our competitive prices will save you hundreds of dollars over other comparable systems and we always charge a fair price for adding additional hard drives, memory or faster processors. **Contact us today and see the difference a custom computer will make.**

ALL FORMS OF MEDIA SUPPORTED: HARD DRIVES,
MEMORY CARDS, FLASH DRIVES, CD/DVD BACKUPS
